Each week we gather during our show for a Twitter chat where our guests can share information, interact, and even win prizes!

We'd love for you to participate in that chat as we will be tagging your twitter handle with quotes from our interview.

## TWITTER

It is very hard to keep up with a single conversation on Twitter. So, to make it easier, we conduct our live Twitter chat using hash tag #armywife.

To follow along, simply input #armywife in the Twitter search box and hit enter. This will take you to the page displaying all the #armywife tweets. Click on the Live Tab for the live feed. All of the tweets that have been posted with #armywife will show up.

To participate in the conversation, be sure to use #armywife on all your tweets so that they will show up in the live chat feed.

Clicking on the arrow icon lets you reply directly to someone's tweet.

The square "retweets"- essentially the Twitter equivalent of the Facebook share.

The heart "likes" a tweet, functioning as a Facebook "like."
